Parade Rules (Please read carefully)

- Please inform the parade committee of your intent to enter by Nov. 16, 2009. This is to give us an approximate count for the parade. Please turn in your registration form before 7:00 p.m., Tuesday Nov. 27, 2009 so we can determine parade order. **(We will accept any late entry.)**
- Lineup numbers will be assigned for registered entries, We will try and have parade order to you the day before the parade so you know where you will need to park. If you can be there while there is still light, it will be easier. Pick up late registration info on the day of the parade on the corner of 300 South 100 East. Please be in place by no later than 6:15, as the parade will begin shortly thereafter and because we also need to get photographs of all entries. The parade route for this year will begin at 300 south and end at the Nephi City Park on 600 north.
- The main requirement of the Christmas Light Parade is to incorporate lights into the entry. This years theme is **“The Spirit of Christmas Is...”**. Please light the name or entity of your entry so that viewers are able to know who you are.
- Due to unforeseeable road conditions, **throwing of candy and other items will be prohibited.** Last year we let others walk the parade route handing out items, this is now also prohibited because of safety issues. Please be mindful of the safety of participants and viewers when planning your entry.
- The Parade Committee reserves the right to refuse any inappropriate entries. Drug and alcohol use is prohibited and will result in removal from the parade.
